

BUILDERS RISK PLAN

(A+ ADMITTED CARRIER)

Our Builders Risk Plan is an industry leader offering broad, flexible coverage options to meet the special insurance needs of even the largest residential or commercial construction project. Our competitive coverage includes an extremely broad policy including:

- ❖ Coverage for theft of materials from the moment they arrive on the job site
- ❖ Protection for material in transit and at temporary locations
- ❖ Coverage for materials that are installed or uninstalled
- ❖ Coverage for losses due to ordinances or laws

Basic Eligibility:

Plan provides coverage for residential and commercial structures with values up to \$10 million.

Builders must have two years experience unless otherwise qualified. Three years experience is required when requesting coverage for commercial structures with total estimated completed values over \$3 million.

Catastrophic limit is \$5 million per policy.

Policy can be issued in the name of the homeowner/mortgagee if the builder qualifies.
