

Announcing Our New OutbreakSM Extra Expense Coverage!

Due to a wide variety of potential contagions, every business in the U.S. is vulnerable to closure—including virtually every one of your customers. Fortunately, We have the solution with our new OutbreakSM Extra Expense Coverage.

OutbreakSM Extra Expense Coverage is designed to provide businesses with insurance coverage in the event that their business operations are suspended by a public health official due to a covered contagion, such as Avian Flu, e-coli, salmonella and Legionnaires Disease.

The new coverage targets existing, small-to-medium-sized accounts and is available to a wide variety of industry groups, including but not limited to healthcare, education, hospitality, real estate and food service.

Product Highlights include the following:

- Broad wording of "covered contagions"
- Workplace violence coverage
- Mold, fungus, illness coverage
- Risk management resources
- Lower or higher limits may be available
- Broad eligibility
- Available in all 50 states
